

ACKNOWLEDGEMENTS

All praises belong to Allah *swt* for His grace and blessing, the researcher can accomplish this thesis entitled “Exploring Students’ Test-Taking Strategies in Structure and Written Expression of Test of English Language Proficiency (TELP).”

This thesis is submitted to Department of English Education, Faculty of Teachers’ Training and Educational Sciences, University of Siliwangi. This thesis could not be completed without support from several people around the researcher. Therefore, the researcher would like to express gratitude to them. May Allah *swt* reply to their kindness in better ways, especially to the honorable:

1. Head of the Department of English Education, Faculty of Educational Sciences and Teachers’ Training, University of Siliwangi, Tasikmalaya;
2. Dr. H. Soni Tantan Tandiana, S.Pd. as the first supervisor has given suggestions and guidance in finishing this thesis;
3. Drs. Ruslan, M.Pd. as the second supervisor, for suggestions in improving this thesis;
4. All lecturers of Department of English Education, Faculty of Educational Sciences and Teachers’ Training, University of Siliwangi, Tasikmalaya;
5. My beloved family, my mother, father, and brother for their unwavering support in every step of this journey. Their prayers, encouragement, and unconditional love have been my greatest source of strength. Spiritually, emotionally, and financially, they have always been there, reminding me to keep going and never give up. This achievement would not have been possible without their sacrifices and belief in me;
6. The participants who have given their willingness and contribution to this thesis;
7. My ‘English please’ people, Silva Pujiani, Nisa Suminar, Devi Rahmawati, Diva Aulia, and Tiara Zahra, for all the advice, support, prayers, and moments of laughter that always managed to uplift and refresh my mood throughout the process of writing this thesis;

8. Generally, for all parties who have contributed to this thesis;
9. Last but not least, I also want to thank myself for believing in my own abilities and for all the hard work I have put into completing this thesis. I thank myself for the discipline to keep moving forward even when it was difficult. I am grateful to myself for the patience, dedication, and commitment that finally led me to this achievement, as well as the courage to face failures and turn them into valuable lessons.

The researcher welcomes suggestions and constructive criticism from the readers to improve this writing. Hopefully, this thesis can be useful both for the readers and the researcher.

Tasikmalaya, July 2025

The Researcher
