

ACKNOWLEDGEMENTS

We send all praise and gratitude to Allah SWT, who has given us the blessings, mercy, and guidance to complete this thesis entitled "The Implementation of Teaching English Grammar Using Task-Based Instruction in Elementary School." This thesis is submitted to fulfill the requirement for *Sarjana Pendidikan* at the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya.

1. Rahmat, M.Pd., as the first supervisor, Dea Silvani, M.Pd., as a second supervisor who has provided corrections, guidance, and motivation in writing this thesis;
2. Participants who have given their time and opportunity to contribute to this research.
3. English Education Department, Faculty of Education Sciences and Teachers' Training, Siliwangi University, Tasikmalaya, who have provided facilities, access, and knowledge to complete this thesis.
4. The researcher's parents, Maemunah Kurniawati, M.Pd, and Drs., Rudi Muchdiarsyah, motivated the researcher during her studies at Siliwangi University. What the researcher has achieved to this day is partly due to their efforts. In all the processes of completing this thesis, the researcher really needed their support and presence.
5. The researcher's siblings, Eryan Mardiansyah, S.Or, Muhamad Alif Wildan, and Ervina Septianti, are always there for researchers.
6. The researcher's emergency call: Nabila Anandita, S.Pd, and Maura Aurelia, who always listen to the researcher's problems and encourage the researcher to complete this thesis.
7. The researcher's best friends in college, Osy Nurviani, Salsa Amalia Nurpadillah, Resa Maya Anggia Sopa, Siti Amelia Nur Syahrani, and Citra Siti Kamilah, always accompany and provide support. They have gone through ups and downs during college, so the researcher does not feel lonely. The researcher is very grateful for their presence in the researcher's life.

8. The researcher's friends in the Siliwangi University Choir who have taught the researcher many things that are not learned in class. The researcher is pleased to be able to join and meet all of them.
9. The researcher's best friends in hometown are Elsa, Dita, Febrianti, Desta, Chikal, and Helmalia. Thank you for always listening and giving the researcher all the effort and support. Thus, the researcher feels loved and does not give up. The researcher is also motivated to finish this thesis soon so we can get together again.
10. The last is to the researcher herself. Thank you for always being willing to learn at every step and every moment. Hopefully, all these difficult times can make the researcher stronger.

The researcher also realized there were still many mistakes in writing this thesis. Therefore, the reader's criticism and suggestions will help improve this thesis in the future. Hopefully, this research will help readers gain more knowledge.

Tasikmalaya, November 2024
