

ACKNOWLEDGEMENTS

Praise and gratitude we send to Allah SWT for His infinite blessings and guidance, which have enabled researcher to complete this thesis entitled "The Correlation Between *Kampus Mengajar* Participation and English Student-Teachers' Understanding of Pedagogical Content Knowledge" successfully. Without His mercy and grace, this achievement would not have been possible.

The researcher would also like to express sincere appreciation to the following individuals and groups for their invaluable contributions, support and encouragement throughout this journey:

1. Head of English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya;
2. Deep gratitude is expressed to Mrs. Metty Agustine Primary, S.Pd., M.Pd., for her dedicated supervision, insightful feedback, and encouragement throughout the thesis process;
3. The researcher is also profoundly grateful to Mrs. Nita Sari Narulita Dewi, S.Pd., M.Pd., for her valuable guidance, constructive input, and unwavering support, which have been crucial in completing this work;
4. Heartfelt thanks go to all lecturers of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya, for imparting their knowledge and wisdom throughout the researcher's studies;
5. The researcher is forever indebted to my beloved family for their unwavering love, prayers, and encouragement, which have been the greatest source of strength;
6. Sincere thanks are extended to all friends for their companionship, support, and motivation, which have lightened the researcher's academic journey;
7. Special thanks go to my friends from "MELT" (Fajar, Dinda, and Julianty) for their inspiring discussions, collaboration, and shared experiences that have enriched this journey;

8. Gratitude is expressed to my virtual friends, Sofia and Putry, for their unique support and kindness, which have been a source of motivation during challenging times;
9. The researcher expresses thanks to all respondents involved in this research for their time, willingness, and cooperation, which made this study possible,
10. Lastly, I would like to thank someone who never gave up, even when things felt overwhelming. Someone who stayed up late figuring things out, who kept going despite the fear, and who held onto hope when doubt took over. Someone who kept believing there was purpose in the struggle. Thank you, Rakha Ferdinand Syah.
