

PREFACE

Praise Allah SWT for His Grace, Hidayah, and Gifts to all of us so that I can complete the thesis with the title "Investigating Indonesian Teacher Challenges and Solutions in Teaching English at an Elementary School in Tasikmalaya". This thesis is submitted as partial fulfillment of the requirements for attaining a Sarjana Pendidikan Degree in English Education. Department, Faculty of Educational Sciences and Teacher's Training, Siliwangi University, Tasikmalaya.

This thesis aims to investigate the challenges and solutions carried out by an English teacher in one of the elementary schools in Tasikmalaya, especially teachers who do not have a background in English education. This research was carried out because I hope to provide relevant and appropriate solutions for teaching English Language Education in Tasikmalaya. This research is also important to be used as a recommendation for English teacher training, especially for teachers who do not have a graduate background in English education, and can also be used as a reference for the government in designing policies that are more effective and support English language teaching in elementary schools.
