

## ABSTRACT

HANI YULISTA. 2023. *CHARACTER EDUCATION THROUGH TRAINING IN NASHRUL HAQ AL-ISLAMY PESANTREN TASIKMALAYA CITY* Department of Community Education Faculty of Teacher Training and Education Sciences, Siliwangi University.

*Character education is a conscious effort to develop good character in children and develop a perfect personality. The purpose of this study is to know how to describe character education through habituation at Nashrul Haq Al-Islamy Islamic Boarding School and the character values that are built from character education through habituation at the boarding school. This research uses a qualitative method, the subjects of this research are pesantren leaders, queens, teachers, and students, as well as residents around the pesantren. Data collection techniques using observation, interviews and documentation. The results showed that Character Education Through Habituation at Pesantren Nashrul Haq Al-Islamy Tasikmalaya City implemented character education through habituation activities by making kyai/ustadz and teachers as role models, and dormitory supervisors as supervisors of students. Moral knowing of students, namely kyai and teachers implementing character education in pesantren, applying character education values applied through religious habituation activities, healthy living, honesty, responsibility, independence, simplicity, and discipline. Moral feeling towards students, namely, self-confidence, tawadhu, and empathy. Moral actions found in students: active in society, obedient to worship, tawadhu, independent soul. In conclusion, by carrying out habituation activities for students at Pesantren Nashrul Haq Al-Islamy, students with good character have been built.*
