

ACKNOWLEDGMENTS

The writer would like to express sincere gratitude to Allah *SWT* for the blessing bestowed in his whole life, particularly during the writing of this thesis entitled “Exploring the Use of AI ChatGPT in English Language Teaching: Teachers' Experiences and Perceptions”.

This thesis was submitted to the English Education Department, Faculty of Educational Sciences and Teacher’s Training, Siliwangi University. This thesis could not have been accomplished without support of many people around the writer. On this occasion, the writer would like to express gratitude to them. May Allah *SWT*. reply to their kindness in better ways.

Special thanks are addressed to the following honorable individuals:

1. Head of Study Program of English Education, Yusup Supriyono, S.Pd., M.Pd. for his immense support both in academic and administrative matters.
2. Yuyus Saputra, S.Pd., M.Pd., as the first supervisor who has given suggestions and guidance in finishing this thesis.
3. Dewi Rosmala, P.hD., as the second supervisor who has given suggestions and guidance in drafting this thesis.
4. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.
5. My mother Dede Uniati who always supports and never stops praying for me. Thank you for the motivational boost so I can finish this thesis.
6. My Cousin Dede Rizki who provide me everything I need to finish this thesis.
7. My Basecamp friends, Ulman, Azzam, Rian, Ramdan, Arman, Ibnu, and Ridwan, who always remind me to work on this thesis.

Overall, the writer hopes this thesis can give a contribution to language education, especially majoring in English and further pedagogical research.
