

ACKNOWLEDGMENTS

The preparation of this thesis cannot be separated from the support and prayers of various parties. Therefore, the author would like to express his deepest gratitude to all those who have contributed to this research process. On this occasion, the author would also like to express his deepest gratitude to:

1. Dr. Yusup Supriyono S.Pd., M.Pd. as the head of the English Education Department, for his invaluable assistance in both academic and administrative matters that supported the progress of this research proposal.
2. Dr Asri Siti Fatimah S.Pd, M.Pd. as the first supervisor who provided in-depth guidance, input and support throughout the entire process of writing this research.
3. Junjun Muhamad Ramdani, Ph.D. as second advisor for her support and thoughtful suggestions that have greatly improved the quality of this research.
4. My first love and role model is my beloved father Sukayat. He played a very important role in completing the author research. He did not have time to experience education until college, but he was able to educate the author, motivated and provide support and work very hard so that the author was able to complete her studies until her bachelor's degree.
5. The door of my heaven, my beloved mother. she also plays an important role in completing the author's study program, enthusiasm, support and prayers that she always provides so that the author is able to complete his studies until the bachelor's degree.
6. My grandmother who is very dear to me and loved by me, who never stopped giving prayers for the author, she never stopped reminding the author to always be diligent, diligent while carrying out this study. So that her words always stick in the author's memory.
7. My best partner Farrel who always accompanied the author when completing the thesis writing process, he continued to provide support and encouragement to the author, he comforted the author when it was difficult to complete thi thesis.

8. And for my beloved friends who are always there for the author, thank you for icha, putri zelia, putri nurfauziah, anggi, gilang, fergy, bille, manda, siska, who are always compact to help each other, accompany the author, thank you for all the help, support, time and kindness that you give to the author when it is difficult to work on this research.
