

ACKNOWLEDGMENTS

The researcher would like to thank Allah SWT for the health, protection, guidance, patience, love, and compassion that He has given to complete my thesis entitled “Students’ Perceptions of the Use of Perplexity AI in Academic Writing: Case Study at One of Universities in Indonesia.” Therefore, the researcher would like to express gratitude to:

1. Head of English Education Department Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya;
2. Junjun Muhamad Ramdani, M. Pd., Ph. D. as the first supervisor who has provided guidance, insight, appreciation, and full support in completing this research proposal;
3. Yuyus Saputra, M. Pd. as the second supervisor who has provided support and advice in writing this proposal;
4. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya;
5. My beloved mother and father, for their support, endless love, prayers, and financial assistance;
6. All friends, who have contributed in providing verbal advice support accompanying researchers, and providing feedback for researchers who cannot be mentioned one by one;
7. Finally, the researcher would like to thank himself for his persistence, dedication, and hard work in completing this research. This journey was full of challenges, but also a valuable learning experience;
