

ACKNOWLEDGMENTS

The researcher would like to thank Allah subhanahu wa ta'ala for His love, opportunities, health, and blessings, which enabled the researcher to complete this thesis. The thesis was made possible with a lot of support, advice, and suggestions from the wonderful people around me. Therefore, I would like to express my sincere gratitude to them for the precious opportunity to:

1. Head of English Education Department, Faculty of Educational Sciences and Teachers' Training, University of Siliwangi, Tasikmalaya;
2. Ratu Sarah Pujasari, S.Pd, M.Pd, as the first supervisor who has given corrections, suggestions, and guidance in writing the thesis;
3. Neni Marlina, S.Pd, M.Pd, as the second supervisor who has given suggestions, guidance, patience, and valuable insights provided in writing the thesis;
4. All lecturers of the English Education Department, Faculty of Educational Sciences and Teacher's Training, University of Siliwangi;
5. My deepest gratitude goes to my beloved family, especially my father, my mother, and my brother, Randi Ardiansyah, for their endless love, prayers, financial support, and encouragement. Their presence and understanding during challenging times have given me the strength to complete this thesis;
6. To my “English please” people, Devi Rahmawati, Nisa Suminar, Adinda Fayza Anshari, Silva Pujiani, and Diva Aulia Nur Ilmani, for choosing to stay beside me since we started our college journey. I am deeply grateful for your prayers, support, and the happy moments that always refresh my mood. However, I am also grateful that you are staying with me through moments of sadness, confusion, and near surrender. I learned to grow, to heal, and to believe again;
7. To *NPM. 203401011*, a graduate of the Development Economics Department at Universitas Siliwangi, who became a source of comfort and resilience during moments of academic and personal struggle. I would like to express my sincere gratitude to someone who consistently offered presence, endless support, prayers, and patience whenever difficulties arose during the process of writing this thesis;

8. Indry Zahra, my close friend, a student of the Mathematics Education Department, who gave me the biggest support and kindness that became a quiet strength when I needed it most. I wish to extend my sincere appreciation to you for accompanying me during moments of exhaustion and doubt in this thesis journey. Our joyful moments always lifted my spirits and gave me renewed energy to continue this thesis journey;
9. Gania Fathiatulhuda, my best friend since elementary school, a student of the Civil Engineering Department, who gives me continuous support, prayers, and joyful moments amid the process of completing this thesis;
10. The participants who have given their willingness, contribution, and support to this thesis;
11. Generally, for all parties who have contributed to this thesis;
12. Last, to myself for choosing to believe, to endure, and to never give up throughout the process of writing this thesis. Despite the many challenges and moments of sadness that affected my emotional well-being, I continued this journey until the very end. I am truly grateful for proving to family, friends, and lecturers that I was capable of completing this thesis. Through this thesis journey, I have learned valuable lessons about patience, consistency, and responsibility.
