

## ACKNOWLEDGMENTS

All praise to Allah SWT, who has given His mercy and blessing until the researcher can finish the research proposal entitled “Exploring Parent’s Experience Of A Child’s English Vocabulary Acquisition Through Movies: A Narrative Inquiry”.

The researcher is fully aware that this research can’t be finished without people's help, support, and prayers. Therefore, on this occasion, I would like to express deep gratitude to the following people:

1. Dr Yusup Supriyono, S. Pd, M. Pd, and Santiana, S. S., M. Pd, as the supervisors for giving guidance and feedback during the writing process from the very start until the end.
2. Thank the research participant for their willingness to share the story that is needed for the data.
3. All of the lecturers of the English Education Department, Faculty of Educational Sciences and Teacher’s Training, Siliwangi University, Tasikmalaya.
4. Siliwangi University, the place I am currently studying, for allowing this research to be done and giving all the resources that are needed.
5. My family, especially Mom and Dad, always support and pray for me as I can step into success. Also, all of my dear friends would be there by my side, giving me all the support I needed.
6. Thank fellow English Education Department students for all the insights and encouragement we always give each other.
7. I’m grateful to have friends like Ayuni, Salsa, and Asti who have been a pillar of strength and encouragement throughout my academic journey.
