

ACKNOWLEDGEMENTS

All praise and thanks are due to *Allah SWT* for his blessing and mercy that the researcher can accomplish this thesis entitled “Students’ Perceptions of Using Canva for Collaborative Writing in an ESP Course Design Context”.

This thesis is submitted to the Department of English Education, faculty of teacher’s training and educational sciences, Siliwangi University. This thesis cannot be accomplished without support from several people around the writer. On this occasion the writer would like to express gratitude to them. May *Allah SWT* reply to their kindness in better ways, especially to the honorable:

1. Head of English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.
2. Santiana, S.S., M.Pd., as the first supervisor has given me suggestions and guidance in finishing this thesis.
3. Dea Silvani, S.Pd., M.Pd. as the second supervisor has given me suggestions and guidance in finishing this thesis.
4. All the lecturers of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.
5. The participants who have given willingness and contribution to this thesis.
6. My beloved parents (*Bapak & Mamah*) for their endless love, prayers, patience, support, and encouragement throughout the completion of this thesis. Their unwavering trust, sacrifices, and continuous support, both emotionally and materially, have become a significant source of strength and motivation in overcoming various challenges during the academic journey. Their guidance, understanding, and sincere encouragement have provided invaluable inspiration and contributed greatly to the successful completion of this thesis. This achievement is devoted to them with profound love and appreciation.
7. Afifuddin for the constant support, encouragement, understanding, and companionship throughout the process of completing this thesis. The patience, motivation, and continuous presence provided during the challenging time

have become a valuable source of strength. The support and care given have contributed significantly to the completion of this thesis.

8. The researcher's family in Tasikmalaya and Bogor for their continuous prayers, motivation and support have contributed significantly to the successful completion of this thesis.
9. All my friends, SMK Nurul Fitri and MIS Tegalpanjang who always supported me.
10. My sincere appreciation to myself for the perseverance, patience, strength, and determination in completing this thesis. Throughout this academic journey, many challenges, doubts, and difficulties were encountered; however, I continuously strived to remain resilient, committed, and motivated to achieve this accomplishment. The process of completing this thesis has become a valuable experience of growth, learning, and self-development. Therefore, this achievement serves as proof that persistence, hard work, and dedication can lead to the successful completion of this thesis.
