

ACKNOWLEDGMENTS

In the name of Allah *SWT's*, the Most Gracious and the Most Merciful. Praise belongs to Allah Almighty who has granted strength, guidance, and health so that the researcher can complete this thesis. Shalawat and salam are always delivered to Prophet Muhammad *SAW*, his family and us as his followers.

This thesis can be completed appropriately and efficiently with the efforts of many parties. Therefore, the researcher would like to express sincere gratitude to the following parties who have contributed to the development of this thesis:

1. Dr. Yusup Supriyono, M.Pd., as the head of English Education Department, Faculty of Educational Sciences and Teacher's Training of Siliwangi University, Tasikmalaya.
2. Dr. Agis Andriani, S.Pd., M.Hum. as the first supervisor and Dewi Rosmala, MA., Ph., Ph.D. as the second supervisor. Their guidance, advice, and encouragement have been essential from the early staged of writing until the completion of this thesis.
3. All of the participants who have generously volunteered their time and allowed and supported the researcher during the data collection process. Without their cooperation and contributions, this research would not have been possible.
4. All lectures of the English Education Study Program, Faculty of Teacher Training and Education, Siliwangi University, Tasikmalaya.
5. The researcher beloved parents, sister, brother, and niece, who have supported the researcher in many forms and continued to motivate the researcher to finish this thesis even when challenges appeared.
6. Special gratitude goes to Farsya Anisa Salsabila and Muhammad Rizqy Catappany Suryakusuma, whose presence, friendship, and encouragement have supported the researcher throughout the academic journey.
7. To Luthfia Zahran, my friend in arms, who always there when needed and supported during writing or during the guidance process.
8. For Annisa Febriani Hidayat, Zakiya Rizkiani, Ersya Fatkhur Rokhim, and Daffa Akbar Ramadhan. Thank you for the colour and joy you bring, for the

comfort and confidence you create, and thank you for being a place to relieve the pressure during this long process.

9. The researcher also thanks all friends from EED'21, for the shared experiences, discussions, and motivation that helped the researcher stay committed to the completion of this thesis.

The researcher acknowledges that this thesis still has limitations. Therefore, constructive suggestions are welcomed to improve future research. May Allah SWT always guide and bless us all. Aamiin.
