

ACKNOWLEDGMENTS

All praises and thanks are due to *Allah subhānahu wata 'ālā* for His mercy and guidance in giving me the blessing to accomplish my thesis entitled “Super Jojo as an English Vocabulary Learning Medium: A Case Study of Indonesian Young Learners”. It is submitted to the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, as a partial fulfillment of the thesis writing requirements.

On this occasion, I would like to express my sincere gratitude to:

1. Head of English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya,
2. Fera Sulastri, S.Pd, M.Pd, as the first supervisor who has given corrections and guidance in finishing this thesis,
3. Yuyus Saputra, M.Pd, as the second supervisor who has given suggestions and guidance in writing this thesis,
4. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.
5. My beloved parents, Mr. Uju Juanda and Mrs. Cicih, are two people who have played an invaluable role in my life. They have always strived to ensure that their youngest child could pursue the highest level of education, even though they themselves were only able to complete elementary education. To my father, thank you for every drop of sweat and all the hard work you exchanged for a living, so that your child could reach this stage and have the opportunity to pursue education this far. Thank you as well for being a role model who has taught me the true meaning of responsibility, perseverance, and dedication in life. To my mother, thank you for all the motivation, advice, prayers, and hopes that have always accompanied every step and effort of your child to become an educated person. Thank you for your endless love that never fades with time, for your patience and sacrifices that have always accompanied my life journey. Thank you for being a source of strength, inspiration, and a light that never goes out in every path I take. Lastly, thank you for everything you have given

me, which can never be counted in numbers. May Allah SWT always bless you with health, happiness, and endless blessings.

6. My extended family, who have poured out their love and affection for the author and always provide encouragement, attention, material support, and motivation so that the author can complete this thesis;
7. My sincere gratitude goes to Aditya Nur Permadi and his beloved parents, who have become an important part of the writer's academic journey. Thank you for being a place of comfort where all complaints and worries could be shared. Thank you for every effort you have given, including your time, energy, material support, prayers, and encouragement. Thank you for always supporting, comforting, listening, and witnessing every tear throughout the process of completing this thesis until it was finally accomplished.
8. Friends of English Language Education, especially class D, who accompany during lectures with all their laughter;
9. My beloved friends who have always accompanied and supported me throughout the process of completing this thesis. Thank you for always being there to listen to my complaints, worries, and thoughts whenever the journey felt overwhelming. Thank you for the laughter, conversations, and togetherness that became a source of strength in times of exhaustion, as well as for inviting me to take short breaks and enjoy simple healing moments to refresh my mind and restore my motivation. Thank you also for every help, encouragement, and kindness you have given. Your presence has meant so much and has helped me stay strong until I was able to complete this thesis.
10. Lastly, to the stubborn soul with endless dreams, a simple woman who dreams beyond the skies, Nita Rusmiati, thank you for working hard and enduring this far. For every night spent in exhaustion, for every morning welcomed with worries, yet still faced and successfully passed through. Thank you to the heart that remained sincere, even when many things happened beyond expectation. Thank you to the soul that stayed strong, even after nearly giving up many times because of circumstances. Thank you to the body that kept moving forward, even when tired of facing pressure, yet continued to strive and

persevere. Keep learning and remain grateful for every blessing that God has given. And thousands of thanks are dedicated to yourself for being able to carry all the trust that has been given, including completing this thesis until the end.

I would greatly appreciate any suggestions to improve this thesis, as I realize it is still far from perfect. I also hope this thesis will be helpful for readers in an educational environment.
