

PREFACE

Thanks to Allah SWT for his blessing and mercy, gratefully the author could finish writing this thesis entitled “The Use of Online Comics in Extensive Reading Course: Students’ Viewpoint”. This research aims to fulfill the thesis writing assignment as the final assignment for the English Education Department students.

This research aims to explore students’ viewpoints on how reading online comics affects their reading motivation. Furthermore, the author also provides the theoretical foundation of online comics, extensive reading, reading motivation and students’ perception. In the last part, the author also provides the research methodology to explain how the author conducted the study.

In schematizing this research, the author faced many challenges but with the help and support of many individuals, these challenges can be overcome. The author also notices that there are still several mistakes in the process of writing this thesis. Therefore, constructive criticism and suggestions are welcome to improve this thesis. Finally, hopefully, this paper can be useful for readers to get more knowledge in the subject matter.
