

## DAFTAR TABEL

| Nomor | Judul                                                           | Halaman |
|-------|-----------------------------------------------------------------|---------|
| 2.1   | Penelitian Terdahulu.....                                       | 68      |
| 3.1   | Operasionalisasi Variabel.....                                  | 86      |
| 3.2   | Daftar Populasi Sektor <i>Consumer Non-Cyclicals</i> .....      | 88      |
| 3.3   | Kriteria Sampel.....                                            | 91      |
| 3.4   | Sampel Penelitian.....                                          | 92      |
| 4.1   | ROE Perusahaan Sektor <i>Consume Non-Cyclicals</i> .....        | 107     |
| 4.2   | DER Perusahaan Sektor <i>Consume Non-Cyclicals</i> .....        | 108     |
| 4.3   | ESG Perusahaan Sektor <i>Consume Non-Cyclicals</i> .....        | 109     |
| 4.4   | Tobins'Q Perusahaan Sektor <i>Consume Non-Cyclicals</i> .....   | 110     |
| 4.5   | Total Aset Perusahaan Sektor <i>Consume Non-Cyclicals</i> ..... | 111     |
| 4.6   | Hasil Analisis Deskriptif.....                                  | 111     |
| 4.7   | Uji Chow.....                                                   | 113     |
| 4.8   | Uji Hausman.....                                                | 114     |
| 4.9   | Uji Multikolinearitas.....                                      | 115     |
| 4.10  | Uji Autokorelasi.....                                           | 117     |
| 4.11  | Hasil Analisis Regresi Data Panel.....                          | 117     |
| 4.12  | Hasil Analisis Regresi Moderasi.....                            | 119     |
| 4.13  | Hasil Analisis Regresi Moderasi Interaksi.....                  | 119     |
| 4.14  | Hasil Uji Koefisien Determinasi.....                            | 121     |
| 4.15  | Hasil Uji Koefisien Moderasi.....                               | 122     |

|      |                           |     |
|------|---------------------------|-----|
| 4.16 | Hasil Analisis Uji F..... | 122 |
