

## DAFTAR SIMBOL

| Nomor | Simbol            | Istilah                                             |
|-------|-------------------|-----------------------------------------------------|
| 1     | $X_1$             | <i>Earning per Share</i>                            |
| 2     | $X_2$             | <i>Price to Book Value</i>                          |
| 3     | $X_3$             | <i>Current Ratio</i>                                |
| 4     | $Y$               | <i>Return Saham</i>                                 |
| 5     | $\varepsilon$     | <i>Error term</i>                                   |
| 6     | $\alpha$          | Konstanta                                           |
| 7     | $\beta$           | Koefisien regresi masing-masing variabel independen |
| 8     | $T$               | Waktu                                               |
| 9     | $I$               | Perusahaan                                          |
| 10    | $\omega$          | <i>Random effect</i>                                |
| 11    | DW                | Durbin-Watson                                       |
| 12    | dL                | <i>Lower bound</i>                                  |
| 13    | dU                | <i>Upper bound</i>                                  |
| 14    | $R^2$             | Koefisien determinasi                               |
| 15    | $r^2$             | Koefisien korelasi                                  |
| 16    | $\longrightarrow$ | Secara Parsial                                      |
| 17    | $\longrightarrow$ | Secara Simultan                                     |
