

## DAFTAR LAMPIRAN

| Nomor | Judul                                                               | Halaman |
|-------|---------------------------------------------------------------------|---------|
| 1     | Jadwal Penelitian .....                                             | 93      |
| 2     | Kuesioner Penelitian.....                                           | 94      |
| 3     | Normalitas Data .....                                               | 100     |
| 4     | Observations Farthest from the Centroid (Mahalanobis Distance) .... | 100     |
| 5     | Multikolinieritas dan Singularity.....                              | 103     |
| 6     | Identifikasi Struktural .....                                       | 103     |
| 7     | Goodness Of Fit.....                                                | 103     |
| 8     | Uji Validitas.....                                                  | 104     |
| 9     | Uji Reliabilitas.....                                               | 104     |
| 10    | Hipotesis Pengaruh Langsung .....                                   | 105     |
| 11    | Standardized Regression Weights .....                               | 105     |
| 12    | Hipotesis Pengaruh Mediasi .....                                    | 105     |
| 13    | Turbulensi Data .....                                               | 105     |
