

## **DAFTAR LAMPIRAN**

| <b>No. Lampiran</b> | <b>Keterangan</b>                                          | <b>Halaman</b> |
|---------------------|------------------------------------------------------------|----------------|
| 01                  | Tabel Z Distribusi Normal.....                             | 105            |
| 02                  | Kuesioner Penelitian .....                                 | 106            |
| 03                  | Rekap Angket.....                                          | 107            |
| 04                  | Hasil Uji Validitas .....                                  | 112            |
| 05                  | Hasil Uji Reliabilitas .....                               | 112            |
| 06                  | Hasil Uji Statistik Deskriptif.....                        | 112            |
| 07                  | Transformasi Data Method of Successive Interval (MSI)..... | 112            |
| 08                  | Hasil Uji Normalitas .....                                 | 114            |
| 09                  | Hasil Uji Heteroskedastisitas .....                        | 114            |
| 10                  | Hasil Uji Koefisien Determinasi .....                      | 114            |
| 11                  | Hasil Uji T .....                                          | 115            |
| 12                  | Hasil Deskripsi Karakteristik Responden .....              | 115            |
| 13                  | Hasil Deskripsi Data Penelitian User experience.....       | 117            |
| 14                  | Hasil Deskripsi Data Penelitian Kepuasan Nasabah.....      | 120            |
| 15                  | Dokumentasi Kuesioner .....                                | 122            |
