

## DAFTAR TABEL

|            |                                                                                                                                                |    |
|------------|------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Tabel 1.1  | Matriks Jadwal Penelitian .....                                                                                                                | 12 |
| Tabel 2.1  | Penelitian Terdahulu .....                                                                                                                     | 24 |
| Tabel 3.1  | Operasionalisasi Variabel .....                                                                                                                | 31 |
| Tabel 3.2  | Kriteria Konsentrasi Pasar ( <i>Market Concentration</i> ) .....                                                                               | 35 |
| Tabel 3.3  | Kriteria <i>Herfindahl-Hirschman Index</i> (HHI) .....                                                                                         | 36 |
| Tabel 4.1  | Perhitungan CR2 ( <i>Concentration Ratio for The Biggest Two</i> ) dari<br>Perusahaan di Industri Telekomunikasi Periode 2016-2024 (persen) 50 |    |
| Tabel 4.2  | Perhitungan <i>Herfindahl-Hirschman Index</i> (HHI) Perusahaan di<br>Industri Telekomunikasi Periode 2016-2024 .....                           | 51 |
| Tabel 4.3  | Perhitungan MES ( <i>Minimum Efficiency Of Scale</i> ) Perusahaan di<br>Industri Telekomunikasi Periode 2016-2024 (persen) .....               | 52 |
| Tabel 4.4  | Perhitungan CLR ( <i>Capital Labor Ratio</i> ) Perusahaan di Industri<br>Telekomunikasi Periode 2016-2024.....                                 | 53 |
| Tabel 4.5  | Daftar Produk Perusahaan.....                                                                                                                  | 54 |
| Tabel 4.6  | Perhitungan <i>Price-Cost Margin</i> (PCM).....                                                                                                | 57 |
| Tabel 4.7  | Hasil Uji Multikolinearitas.....                                                                                                               | 58 |
| Tabel 4.8  | Hasil Uji Chow.....                                                                                                                            | 60 |
| Tabel 4.9  | Hasil Uji <i>Langrange Multiplier</i> (LM Test).....                                                                                           | 60 |
| Tabel 4.10 | Analisis Regresi Data Panel .....                                                                                                              | 61 |
| Tabel 4.11 | Hasil Uji t .....                                                                                                                              | 62 |
| Tabel 4.12 | Hasil Uji F .....                                                                                                                              | 63 |
| Tabel 4.13 | Koefisien Determinasi (R <sup>2</sup> ) .....                                                                                                  | 63 |
