

## ACKNOWLEDGEMENTS

Alhamdulillah Robbil ‘Alamin, with the abundance of grace, strength, and ease from Allah SWT, the researcher has finally been able to complete this thesis. The researcher believes that this work would not have been completed without the prayers and support of many people.

The researcher expresses his deepest gratitude to his beloved family, Bapake, Mamake, Mbake, Mamase, and Ponakan, for their constant encouragement, prayers, and moral support throughout this study and writing.

The researcher expresses his deepest respect and gratitude to Dr. Asri Siti Fatimah, S.Pd., M.Pd., as Supervisor I, Dewi Rosmala, S.Pd., MA., Ph.D, as Supervisor II, and Melisa Sri, S.Pd., M.Pd., as Advisor. Their advice and motivation were crucial for the researcher's continued learning and academic development.

The researcher would also like to express his sincere gratitude to his dear friends, Arsy, Fina, Ulfa, Evi, Rahma, Fahira, Laela, Jodi, Yuli, Syahadz, and more, for their unwavering support, encouragement, laughter, and memorable moments throughout this academic journey. Their friendship and kindness have been a source of motivation during both challenging and joyful times.

The researcher also expresses his heartfelt gratitude to Wisma Elhan 2, which has been a place of shelter and comfort throughout the past four years. More than just a residence, it has become a silent witness to the researcher's journey, from the beginning of his university life to the completion of this thesis. Every challenge, lesson, and achievement experienced during this academic journey will always be remembered with gratitude.

Finally, the researcher realises that this work is far from perfect. Hopefully, this thesis will contribute to the advancement of science, particularly in the field of English education.
