“Amor Fati”

to الله, first and foremost,

*Thank You for the love and strength You have always given me.
I have come to realize that every flower blooms in its own time, teaching me to
trust Your timing and find peace in the fate You have decreed.*

As You said,

قَالَ لَا تَخَافَا إِنِّي مَعَكُمَا أَسْمَعُ وَأَرَى

*“Do not be afraid; I am with you all the time,
listening and seeing” (Q.S Thaha, 20:46)*
