

ACKNOWLEDGMENTS

All praises and thanks are due to *Allah subhānahu wata 'ālā* for his blessing and mercy that I have finished my thesis, which would not have been possible without the support of those around me. Therefore, I would like to express her gratitude to them, especially to the honorable:

1. My supervisors, Junjun Muhamad Ramdani, S.Pd., M.Pd., Ph.D., and Rahmat, S.Pd., M.Hum. for their guidance, advice, and support in finishing this thesis.
2. University of Siliwangi, for providing the resources, facilities, and library access crucial for this research.
3. Mamah, Papah, Teh Nuni, and Salma for their endless support. Thank you for always reminding me that everything will pass. I couldn't have come this far without you, my family.
4. Rizal Adhi Awaludin, thank you for always being my support system. Never get tired of motivating me in ups and downs, every condition. I am so glad to have you.
5. My academic partners, Keysa Ghesaniy Shabira and Dilla Nurul Amanda, always remind me to keep going in every step during this thesis. You guys are the sweetest, my pinky girls.
6. My best friends, Dera Deliany, Novita Widyanti, and Yesi Puspitasari, thank you for always coming to give me a shoulder when I feel sad so I can get back up.
7. My sister, Angelica Monalisa, who always helps me, gives advice in writing my thesis, and gives me a shoulder when I need it, thank you.
